Stage 3 will be creating their own Parliament of Wizards to learn about state and federal governments and the formation of our country's laws.

Writing
Students will be exploring different narratives and writing a story based around Meerkat Manor. They will also be focusing on persuasive writing.

CAPA
Art will be taught on Tuesdays. Students will be exploring perspective in visual arts. Stage 3 will also be participating in a range of dance, drama and music workshops this term.

Sport
Sport this term will be taught by Mr Cooper, focusing on team games.

dates for your diary:
13 February: Parent information evening
14 February: Parent information evening
27 February: District Swimming
2 April: Band concert
10—12 April: Stage 3 excursion to Canberra

Computers
Students will be learning about the issues of plagiarism, copyright and data protection. They will also participate in an e-awareness program. Students will all have access to an edmodo account. This is to teach students how to stay safe and be responsible users of social media.

science
Microbes
In Stage 3, students will explore microorganisms. They will have the opportunity to research different microbes and they will get the chance to experiment and investigate their environments.

Parliament
HSIE
