Gold Rush

The Australian Gold Rush will be studied by Stage 3 students. Students will explore the history of gold discovery in the world and Australia. We are planning a fun and creative day where students will experience life as a gold digger. Students will be encouraged to dress up as characters from this time period as we aim to spend a day role playing life in the goldfields in the 1800s. (Details will follow)

Writing

Students will be studying the lives of famous gold diggers and bush rangers, writing biographies, recounts and personal diaries in role. They will also be focusing on persuasive writing.

CAPA

Art will be taught by Ms O’Connor. The focus will be sculptures and sewing.

Sport

Sport this term will be taught by Mr Charlton, focusing on team games.

PDHPE

This term we shall be focusing on Personal Safety.

SCIENCE

States of Matter

In Stage 3, students will learn about the different states of matter. Students will be using the fair-testing process to investigate and explore changes such as melting, evaporating, dissolving, burning and chemical reactions.

Dates for your diary:

16/02/12 Parent information evening
02/03/12 Clean up Australia day
07/03/12 District swimming carnival
13/03/12 Watch Our Watts (Casuarina)

HSIE

Students will be learning about the issues of plagiarism, copyright and data protection. They will also participate in an e-awareness program.
