Welcome back parents and carers!

WRITING /HSIE
This term Year 1 will be undertaking a unit of work on Wet and Dry Environments. Students will investigate, describe, compare and value natural features in our country. As well, students will be using direct experiences such as our excursion to Centennial park to enhance our understanding of the topic.
This unit will also provide the stimulus for learning to write Information Reports, Poetry, Narratives, Arguments, Explanations and Procedures.

SCIENCE
Our focus this term will be our Earth and the Space Sciences.
Students will be investigating our constantly changing world through outdoor observations and photographic records of the daily, weekly and seasonal changes in our local environment. As well, students will discuss how human activity affects features of the landscape.

HOMEWORK
Homework for this term has been handed out to your child. There is a change in the activities that students will respond to, which includes a news presentation component. Homework sheets are to be handed back to your child’s teacher each Monday.

PERSONAL DEVELOPMENT AND HEALTH
A unit of work on Child Protection will be undertaken this term. Students will engage in a range of activities that revolve around their right to be cared for and to be safe. Strategies for keeping safe will be discussed as well as reviewing the network of adults they can trust.

Imogene Cochrane
Lilli Pilli

Ann Dragutinovic
Blue Gum

Katie Ahearn
Hibiscus

POINTS OF INTEREST
Waste free Wednesdays continues this term.
Our excursion to Centennial Park will be on 14th August.
