Our topic for science this term is ‘Watch it Grow’. Students will explore processes of growth, change, reproduction and death that apply to all animals. They will observe mealworms over the term and compare their growth under different conditions.

HSIE
This term, Year 2 will be learning about ‘Celebrations’. Students will gain an understanding of customs and practices from a range of cultural and indigenous perspectives. They will explore various celebrations, such as weddings, birthdays, Day of the Dead, Diwali, Hanukkah and Garma.

PHYSICAL EDUCATION
Matt Charlton will continue to take Year 2 each week for physical education. Both classes will be learning a range of skills and movement and will be applying these to exciting games and sports. Please ensure your child is wearing comfortable shoes and appropriate clothing on the days they have PE.

PERSONAL DEVELOPMENT & HEALTH
Our focus this term for Personal Development and Health will be ‘Personal Health Choices’. Students will learn how to look after their body. Topics for this unit include nutrition, personal hygiene, sun safety, health services and safe use of medicines.

WRITING
This term, students will be learning to write Descriptions, Procedures, Information Reports, Recounts, Narratives and Poetry.

HOMEWORK
All students in Year 2 are expected to read every night at home. Home readers are changed daily (or when the student has finished the book). Homework is handed out on Mondays and collected the following Monday. These will both commence in Week 2. Students will have the option to give a short presentation for homework, linked to our HSIE unit ‘Celebrations’.

CREATIVE ARTS
This term, dance will be the focus for creative arts as students prepare for the end of year performance.
